

ASCRS U Innovation and Industry Education Opportunity

Overview:

The ASCRS U Innovation and Industry Education opportunity allows companies to differentiate themselves and support their strategic interest by demonstrating thought leadership, industry support and/or product-specific expertise to ASCRS members and audiences. This opportunity provides year-round recognition, limited exclusivity and the ability for the sponsor to bring forward their educational content.

Commitment:

- 12-month term
- \$20,000/yr.

Benefits:

- Right to provide proprietary educational content to be included in ASCRS U library
 - Monthly content uploads
- User licenses for sponsor representatives
- Sponsor logo recognition
- Recognition as year-round ASCRS U Innovation and Industry Education Sponsor
- Access to ASCRS U traffic sponsor data
