

ASCRS App User Guide

Getting Started

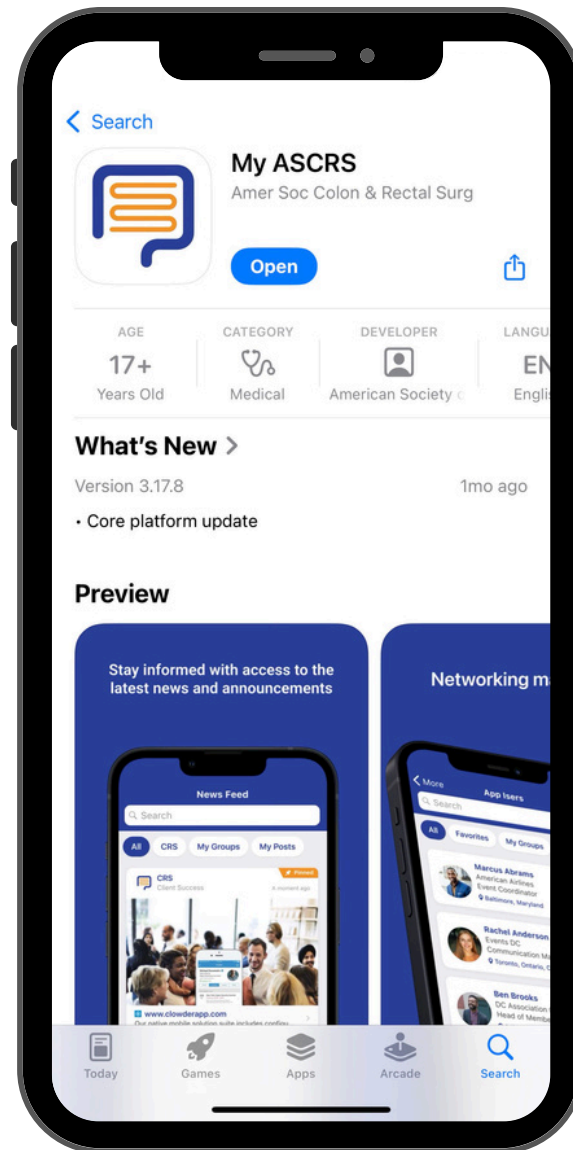

Step 1:

Download the App

For Apple Users:

For Android Users:

Logging In

Step 2:

Use the same login credentials as you do for the official ASCRS website at fascrs.org.

Having Trouble Logging in?

What's my password?

- Go to fascrs.org to reset your password.
- Click "Login" at the top of the homepage and follow the steps.

Still having trouble?

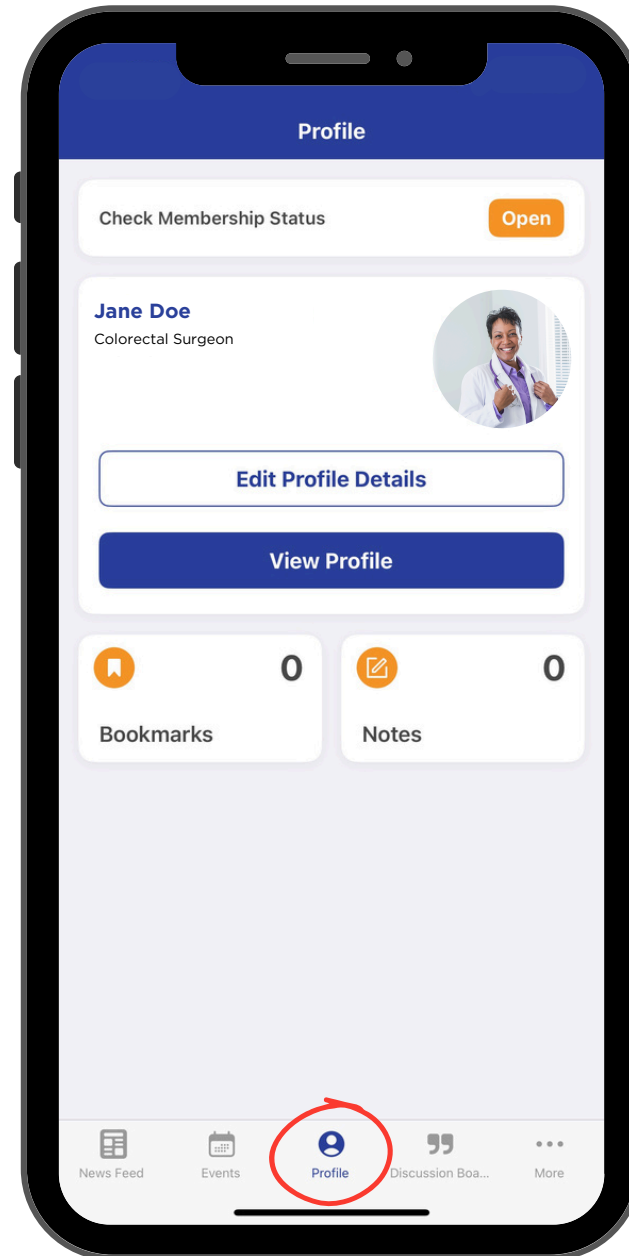

- Contact our team at ascrs@fascrs.org for further assistance.

ASCRS App User Guide

Create a Profile

Step 3:

- To set up your profile, tap “Profile” at the bottom of the app screen. Then, add your photo, update your bio, and enter your job description if you choose.
- Saved content from the News Feed can be found in the “Bookmarks” section.
- You can add notes about other ASCRS members under the “Notes” tab when viewing their profile. These notes are private and only visible to you.

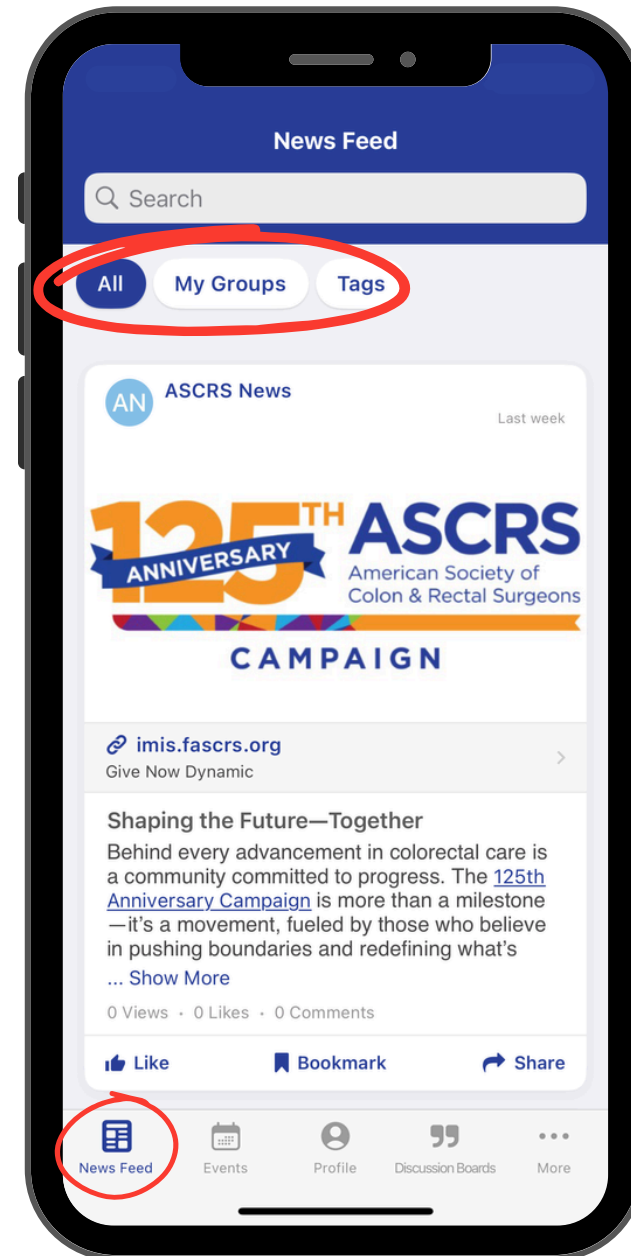

ASCRS App User Guide

Explore

Now, you can start exploring!

News Feed

- Browse the latest news from ASCRS and engage by liking, commenting, or sharing.
- Easily save posts you want to revisit—perfect for important updates, event details, or helpful resources.
- Use the toggle at the top to view all posts, just those from your groups, or only the posts with tags you're interested in.

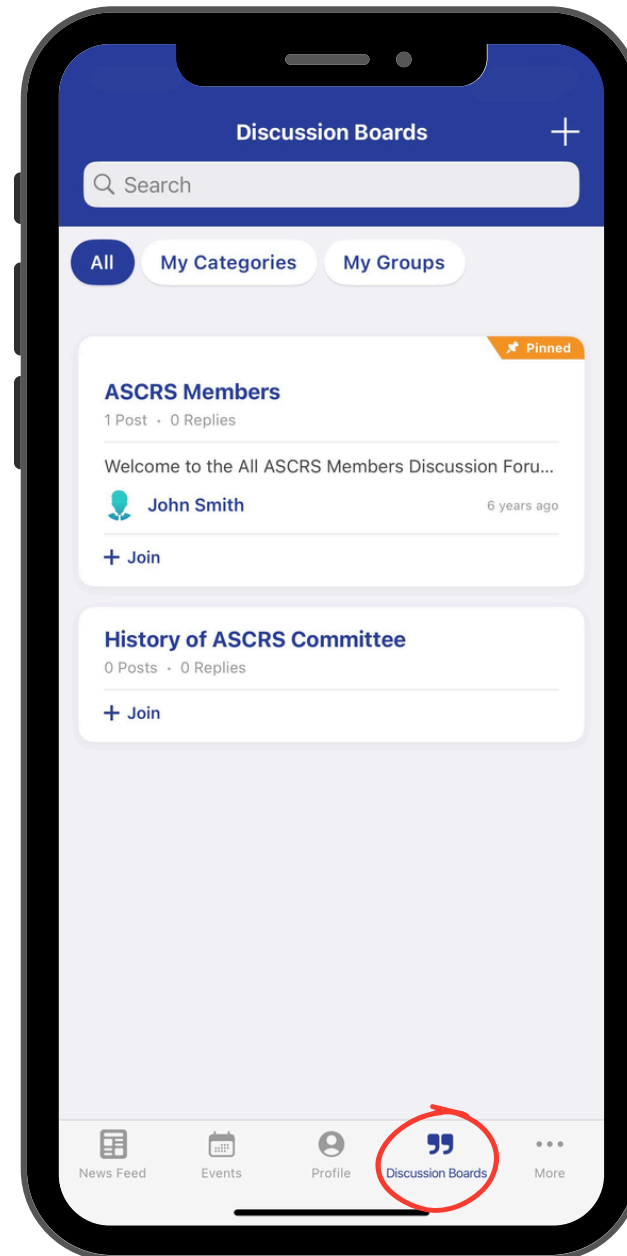

ASCRS App User Guide

Committees

Discussion Boards

- Welcome to your one-stop shop for member and committee collaboration!
- The Discussion Boards hub provides a centralized space where ASCRS committee members can communicate, share updates, and stay aligned on key initiatives.
- The ASCRS Members Discussion Board is open to all members to collaborate.

Events

Explore upcoming events here!

- Select an event to dive into details, check the full schedule and secure your spot.
- All upcoming webinars are listed here too, complete with speaker information and a description of the learning objectives—making it easy to plan your participation and stay informed.
- Find all of your registered events in the “More” section under “My Schedule.”

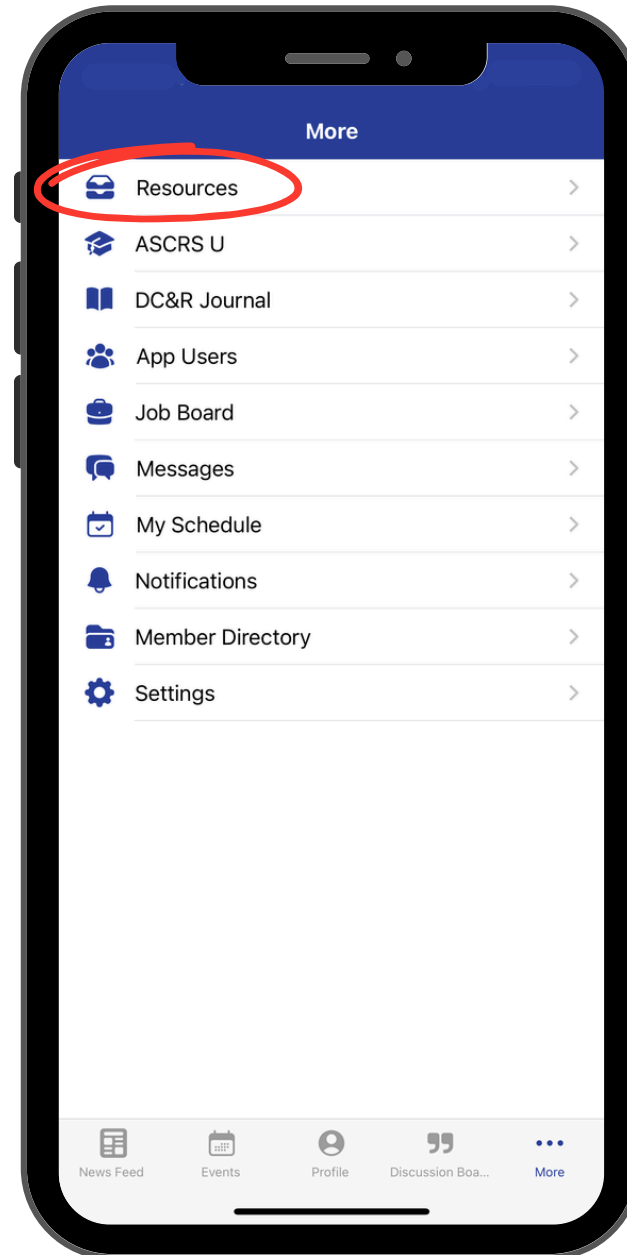

ASCRS App User Guide

Resources

Welcome to the Resources Hub—your central location for helpful information, support materials, and key references designed to enhance your experience with the app.

Here you'll find a growing collection of tools and materials created to support your ongoing engagement and understanding of the platform.

This section will continue to evolve, with new content added regularly to reflect updates, enhancements, and user needs. We encourage you to check back often for the latest insights and helpful content.

ASCRS App User Guide

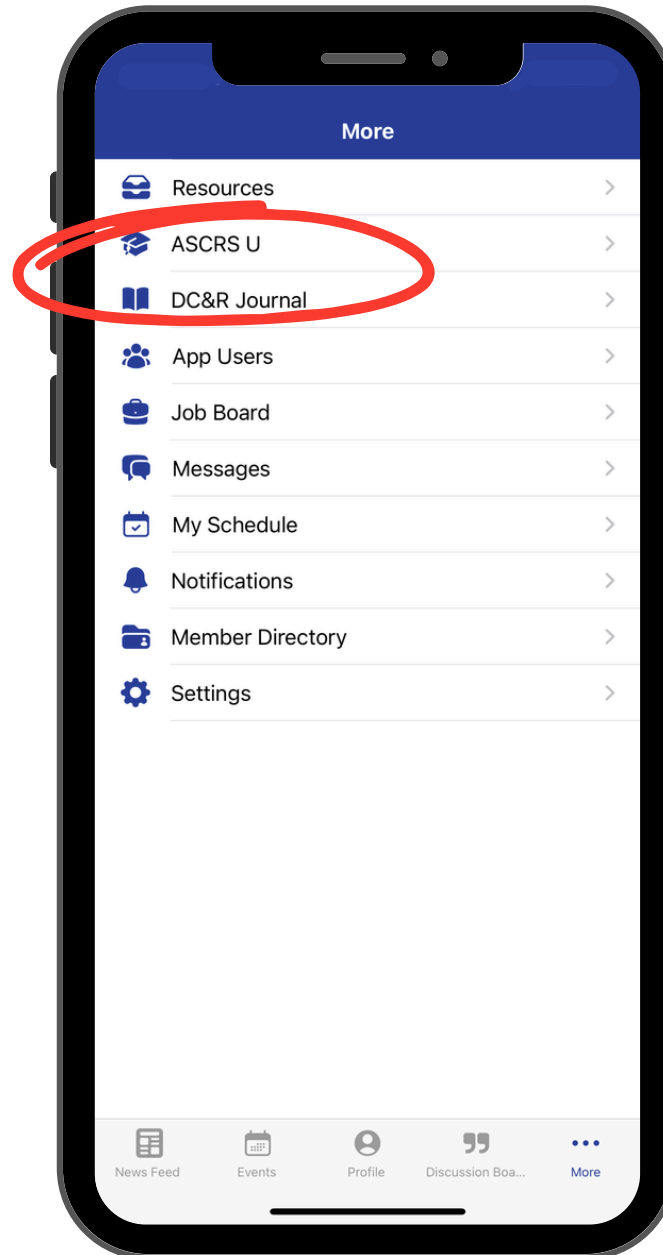

Educational Content

ASCRS U

- Seamless access to your educational resources—watch, learn, and revisit content wherever you are, all within the app.

DC&R Journal

- Catch up on the latest issue or dive into archived research, anytime you want, directly from the app.

ASCRS App User Guide

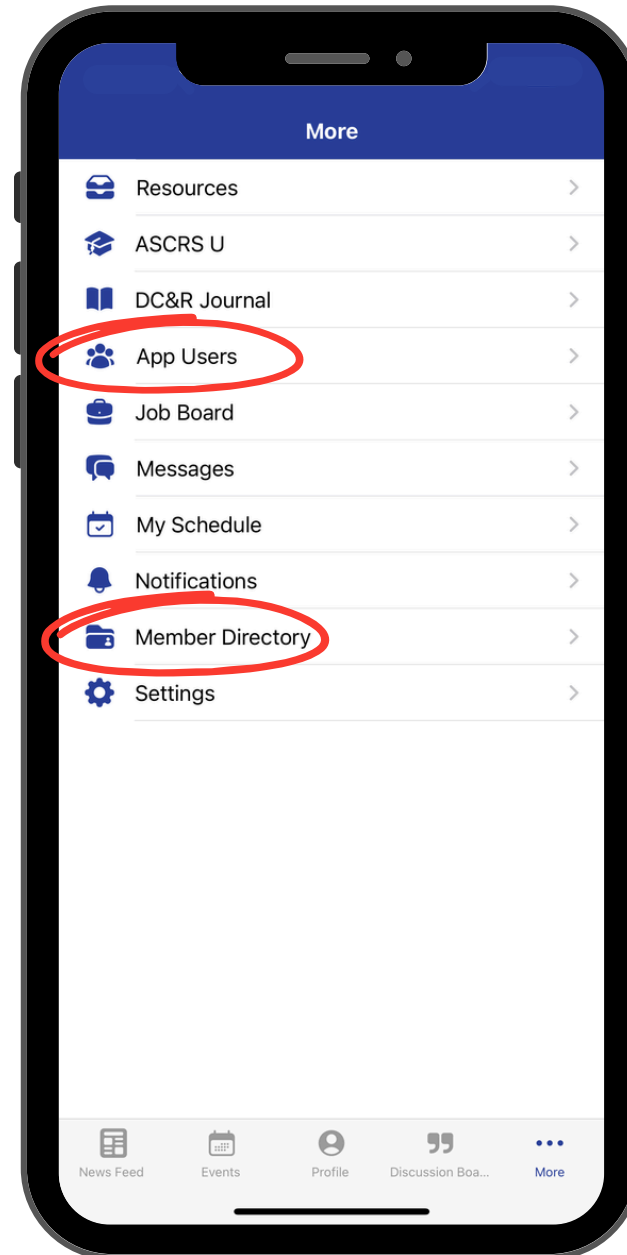

Stay Connected

App Users

- Stay connected with fellow ASCRS members right from the app. Browse the list of app users, engage in discussions, and network with colleagues in the field.

Member Directory

- Easily find and connect with ASCRS members using the Member Directory. Search by name, specialty, or location to expand your professional network and collaborate with peers.

Access the ASCRS
Career Center

Job Board

- Explore the latest career opportunities or post openings of your own—all through the ASCRS Career Center, now just a tap away.
- Filter listings by specialty, location, or experience level to find the perfect fit, and take the next step in your career—anytime, anywhere.

ASCRS App User Guide

Messages

- Connect directly with fellow app users through the Messages feature under the More tab. You can send one-on-one messages or start a group chat to collaborate with multiple members at once.
- To start a group message, tap Group at the top of the Messages screen, then select the “+” icon to add participants.
- Within any message, you can easily attach photos or files by tapping the paperclip icon at the bottom of the screen.
